Serial Nos Two

Part B for April 45

SUBJECT

Re the Utilisation of unspent grant of Rs 5 lacks allotted to the B'lore City Improvement Trust Bd.

To Engr. Officer
C.I.T. Bd. B'lore
L 10626 dated 26 4 41
Issues instructions

F 1-46/2

From the Engineer Officer - C & I Board

No 355 d 19-3-45

States that the bulk of the grant of Rupees five lakhs allotted to the Bangalore City Improvement Trust Board remains unspent and requests orders either 1) to take up the marginally noted two Major projects or 2) to transfer the entire unspent balance to the City of Bangalore Improvement Trust to be constituted, so that the Trust Board may not be handicapped by want of funds later on

	Cost
1) Slum Clearance —	Rs 2,39,000
2) Storm Water Drains from Sankey Reservoir to the Bridge on Hebbal Channel	2,26,000

1) Submitted for perusal

2) The above two projects have not been sanctioned and in fact the Engineer Officer has not yet submitted proposals

The question of constituting the Trust Board Fund has been ordered to be considered in July, 45

3) The proposals in respect of the two Schemes noted above have not yet been submitted to Govt. Even when they come up to the Govt, they will have to be carefully scrutinized and after

Re 2/3

formalities such as consulting the Collector etc will have to be observed. Also this process would take time. May with will not be executed before the closing the official year.

4) In the cases stated above, it would be necessary to create "the city of Bombay improvement fund" and transfer the unspent balance out of five lakhs provided for in the State budget for this fund account. It would then not lapse and also be easy for being operated upon by the chairman of the Board, which will be constituted shortly and begin to function.

A sum of 25 crores has been proposed to be provided for in connection with the formation of the Industrial Suburb to the West of the Municipal Railway station. Most and Could also be credited to the Trust fund.

Plenty of money will be required for executing the works to be taken up by the Board and these will have to be attended to expeditiously, in view of the disastrous fire accident which took place in the 23rd month in the city. Steps will have to be allotted to those who lost their houses. The Bombay Bazaar with

6120

have to be located afresh
in the industrial Estate area.

5) Hence a fund known as the
6) City of Blue Improvement Fund
may be created, as proposed by
the Engineer Hon. The financial
Leg may be consulted. For orders

To the Engineer Officer G.G.J. Board
from the Controller
L 1000 62-> D 7-2-45-

Directs the opening of the necessary fund and requests the Controller to transfer a grant equal to the amount of estimates already sanctioned to meet out of the provision of Rs 5 lakhs to the new head

From the Engineer Officer. G.G.J. Board
No. 457 d 11-4-45

Requests that the Controller may be authorised to transfer the entire sum of Rs 5 lakhs, to the new fund Head, instead of a grant equal to the amount of estimates sanctioned.

A | Submitted for perusal and orders. The two Estimates referred to by the Engineer Officer have been sent to the Chief Engineer and the Director of Public Health for scrutiny and return

The request at A would be possible only if the two estimates in question are sanctioned by the Govt. Otherwise this cannot be done in view of the Secy's Finl. Powers 7/8/42 Lapse. The Engineer Officer will be informed accordingly

No 355
Encls

OFFICE OF
The Engineer Officer, City Improvement
Trust Board, Bangalore.

Date 19th March 1945.

To

The Secretary to Government,
Law Department, Bangalore.

20/3/45

I have the honour to state that under "30 Grants for Public Improvements 11 Bangalore City Improvement Trust Board" Government have provided a sum of Rs. 5,00,000/- for the year 1944-45. So far, the bulk of the grant remains unspent though nearly nine months have already passed in the current financial year. One reason for this is that the Trust Board has not yet been constituted and consequently my activities have been limited to a considerable extent. With the closing of the financial year, the huge unspent balance will have to lapse to Government under the circumstances.

To prevent this contingency, I suggest that pending constitution of the Trust Board, the marginally noted works for which I have prepared detailed estimates may kindly be permitted to be taken up for execution and I am confident that they will be definitely completed before the close of the year. Thus the grant which has been set apart for the year 1944-45 will be spent usefully for the benefit of the Public.

Name of work.	Estimated cost.
1. Slum clearance	Rs. 2,30,000
2. Storm water drains from Sankey Reservoir to the Bridge on the Meter Gauge.	2,26,000

If the undertaking of the above major works has for any reason to await the formation of the Trust Board, I request that orders of Government may kindly be obtained for the creation of a pool known as "the City of Bangalore Improvement Fund" as already suggested in this office letter No.100 dated 9-1-45. Then the entire unspent balance may conveniently be transferred to the Fund account and the Trust Board will not be handicapped by insufficiency of Funds when it starts with its programme of works in right earnest.

I have the honour to be,
Sir,
Your most obedient servant,

Ramaiah
Engineer Officer,
C.I.Trust Board.

~~To~~ pl 157-44-85 S

L-10062 ~~To~~ The ~~Comptroller~~ 7/2/45

S.v,

In invite reference to Section 30 (1) and (2) of the city of Bangalore — Improvement Act, C Act No. 5 of 1945) ~~I am instructed~~ direct that the rents, proceeds sale proceeds, etc, vested in or vesting in or acquired by the Board under this Act shall be credited to "the city of Bangalore-Improvement Fund" I am directed to request you to open the necessary fund head, if the same has not already been done of the grants already Excess A grant equal to the amount by which I have to be remitted by the Govt of Mysore under the State Budget for the current year may also be transferred to the above fund

Yours faithfully
for Secy

Memo No. L-10063/

7-4-45

Copy to the Engineer Officer, G.S.I. Board Nilokheri, for information with reference to his letter No. 355 dated 19-3-45.

2) The amount to be transferred to the above Fund will depend on the Estimates sanctioned and the amount which will be allotted by Govt. in due course, for the works mentioned in his letter.

By order

for Lieut. Col. Secy

GOVERNMENT OF MYSORE

OFFICE OF The Engineer Officer, City Improvement Trust Board, Bangalore.

Date 11th April 1945

To The Secretary to Government,
Law Department, Bangalore.

With reference to your Memo No. L.10064 dated 7-4-45 forwarding a copy of your letter No. L.10063 of even date addressed to the Comptroller to the Government of Mysore and requesting the Comptroller that a grant equal to the amount of estimates already sanctioned to be met out of the provision of 5 lakhs be transferred to the new head " the City of Bangalore Improvement Fund, " I have the honour to state that the estimates sanctioned so far against the grant of Rs.5,00,000/- are negligible and they do not approach any appreciable figure. There-fore any transfer of funds made from " 30 grants for Public Improvement 11 Bangalore City Improvement Trust Board" to the new head with reference to sanctioned estimates only will help a major portion of the grant to lapse to Government But as the sum of Rs, 5,00,000 has been earmarked in the budget for a specific purpose viz., the Bangalore City Improvement Trust Board I suggested in my letter No.355 dated 19-3-45 the transfer of the entire grant of Rs.5 lakhs to the new fund head to avoid lapsing. Further if the two major estimates submitted as detailed in the margin and whose total estimated cost ~~by me~~ comes to nearly 5 lakhs are sanctioned by Government now, they will be taken up for execution and the funds will be spent during the current year to the extent possible and the balance carried over to the next year. Therefore the Comptroller may kindly be requested to transfer the entire sum of Rs. 5,00,000/- from 30 Grants for Public Improvement 11 Bangalore City Improvement Trust Board to the new head approved to be opened.

1. Remodelling a part of the old city for Rs. 2,58,187/-
2. Construction of a masonry drain from swimming pool to Railway Station for Rs.2.26 lakhs.

Sanction of Covernment may also be kindly obtained for the two estimates submitted by me in this office letter Nos. 401 dated 28-3-45 and 418 dated 2-4-45 for Rs.2,58,187/- and Rs.2.26 lakhs respectively very early.

I have the honour to be,
Sir,
Your most obedient servant,

Ramadas
Engineer Officer, 11/4/45
C.I.Trust Board.

MR/11-4.

L-10626 pdl 157-44-85 i 26/4/1945

To The Engineer Officer,
C & D. Board. Bl'lore

Sir,

With reference to Your letter No 457 d 11-4-45, I commend that the entire sum of Rs 5 lakhs provided for in the current year's Budget under 30 grants for public improvements in Bangalore City shall be transferred to the Trust-Board, & to the new Fund-Head, I am directed to state that it would be possible to do so only if the two Estimates referred to in your letter are sanctioned by the Government; ~~in whatever manner, and~~ the grant to be transferred to the new Fund will depend on the Estimates sanctioned.
